## **Kids Activities, Obstacle Course to Highlight Public Safety Officer Day at Dragons Game**

**DAYTON** -- Which public safety department is the fittest in Dayton? You can find out and enjoy some family fun along the way at **Public Safety Day, July 11, from noon to 4:30 p.m.**, on the **Fifth Third Field Plaza**.

Dayton Sports Medicine Institute (DSMI) is teaming up with the Dayton Dragons to recognize our exceptional police and fire departments through this unique event. Departments will compete on a specialized public safety obstacle course at DSMI headquarters at Yankee Medical Center July 5-9. Then the best of the best will be honored at the July 11 event, with the winning team's MVP throwing out the first pitch for the Dragons game.

The public will have a chance to run parts of the same obstacle course the safety officers run. There will be firetrucks, ambulances and police vehicles for kids to explore, and don't miss your chance to meet Ronald McDonald, Smokey the Bear and Dragons mascots Heater and Gem.

To register your public safety team or for more information, please call **(937) 401-6400** or go to: <http://ketteringhealthnetwork.org/dsmi/>
